

Astrel Bookkeeping LLC

Bookkeeping, payroll & fractional CFO support

Why bookkeeping is the foundation of a healthy business.

Clean, accurate books give you the clarity to make better decisions, protect your cash flow, and grow with confidence.

Why bookkeeping matters

- You know exactly how much money comes in and goes out.
- You can calculate profit, loss, and break-even with confidence.
- You avoid cash flow surprises and missed growth opportunities.
- You have the records lenders, investors, and tax agencies expect.

What changes with Astrel

- Monthly financials delivered in plain language — no guessing.
- Payroll, bill pay, and reconciliations handled for you.
- CFO-level guidance when you are ready to hire, price, or expand.
- A partner who explains the numbers so you can act on them.

Who we serve

Small businesses and nonprofits across the United States that want accurate books, on-time payroll, and financial guidance without hiring a full-time finance team.
